Introduction to Vida Missions

PVM (Pura Vida Missions) was started in 2003 by missionaries DeLynn and Gloria Hoover. They moved to Costa Rica with a call on their lives to fulfill the Great Commission and do discipleship through short and medium term missions. This program is one of the ways that they have sought to live out their call.

In 2016 this ministry expanded to several other countries in Central America (including El Salvador, Honduras, Guatemala, and Belize). Due to the fact that Pura Vida was a very Costa Rican name, the name of this program was changed to Vida Missions.

Vida Missions is a program of VidaNet which is a network of programs aimed at discipleship and missions. Vida Missions and another VidaNet program, DaVida, work together supporting a network of approximately 200 different churches and ministries. We seek to come alongside these ministries and see the kingdom of God expanded through them.

Why the name Vida? The word "Vida" means life in Spanish. We at VidaNet believe that the only place life can be found is in a disciple relationship with the master, Jesus Christ. We believe that the model that the Lord has given us and the impact of a mission trip causes us as Christians to see more clearly what is our real mission in life, to be and make disciples of Jesus Christ.

Vida Missions works alongside several denominations in Central America. They seek to facilitate the work of the local church.

Vida Mission's Statement of Purpose

Vida Missions **is dedicated to fulfilling the Great Commission (Matthew 28:19) of making disciples of all nations.** As a ministry our calling is to "all nations", whether Central American or North American. We believe that discipleship is a life-long process of dying to ourselves that allows us to begin looking and acting more and more like the master, Jesus Christ. We seek to provide intense "greenhouse-type" cross-cultural experiences that are aimed at furthering this experience in the lives of Christians.

We at Vida Missions believe that the Bible is God's inspired and authoritative word. We believe that Jesus Christ is God's Son. We believe that He created us to have eternal life through Jesus Christ. Although all men have sinned and come short of God's glory, God has made salvation possible through the death on the cross of Jesus Christ. That repentance, faith, love and obedience are fitting responses to God's initiative of grace towards us. God desires all men to be saved and to come to the knowledge of His love. The Holy Spirit's power is demonstrated in and through us for the accomplishment of Christ's last commandment, *"All authority in heaven and on earth has been given to me. Therefore, go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."* **(Matthew 28:19-20).**

We Handle all of the Details

We will take care of all the details so you can focus on your group. We will handle the food, housing, training and outreach supplies...etc. You will not have to focus on the logistics! That is our job. You will thereby be free to lead your group and do ministry.

Our Main Goals for your Group are:

1. See participants deepen their relationship with God: We want your youth to experience God in a new and more intimate way. We want them to be able to say upon their return "I met God in a new way on this trip".

2. Help participants step out of their "comfort zone": We want to see your group be involved in or challenged to be involved in things that are outside of what they would normally consider their "comfort zone". We want them to be able to say "I did things that I would have never done in my experience with Vida Missions".

3. Help participants develop a global worldview: We want to see your youth see the world through different eyes because they have rubbed shoulders with another culture. We want them to be able to say upon their return "Wow, I am part of something much larger than I ever imagined".

The Vida Missions program is made up of hands-on experiences. There are many Adventure experiences that make up our program. Each "Adventure" experience has three main elements to it:

•**THE PREPARATION:** Before each experience your group will be prepared by the Vida Missions staff. This preparation is so that your group has their focus in the right direction.

•**THE ADVENTURE:** This is where your group will get their "hands dirty" and have a cross-cultural ministry experience.

•**THE DEBRIEF:** After each adventure there will be a debrief time. The length of time will vary based upon the size of your group. This is a vital part of our Vida Missions experience. It will help everyone understand and process more about the experience they had and allow the experience to have more impact in their lives for the future.

HERE is HOW IT WORKS

(Please read carefully)

• **EL ENTRENAMIENTO (The Training)** - The first few days are spent in a training time for your team. This training will be held in an adequate camp/hotel facility within driving distance of an international airport. This training will include: teaching sessions preparing your group mentally and spiritually, passionate worship, training in the arts (learning specific dramas and mimes to present on the streets), preparing Kids Clubs, as well as other special ministry skills such as house to house prayer and servant evangelism. Since our vision and goal as a ministry is to see your youth move a step further in the process of discipleship, this time is integral to the success of the trip. This is a time for the Holy Spirit to speak profoundly. We know that you, as a leader, will walk away from this time enriched and encouraged by the growth you will see in your youth.

• **LA CRUZADA (The Crusade/Outreach)** - For the middle of the trip, we will use our experience in missions and working with youth to design an outreach to a specific area of Central America. Vida Missions works with a network of approximately 40 different churches and ministries in Central America. Vida Missions works with over 150 different churches and ministries in Central America. If there is special interest in a certain church or ministry you may request that possibility from the Vida Missions staff. Your outreach will be a variety of outreach ministries generally made up with activities mentioned in the section "Let's get out to the streets." We always ask for flexibility as we design your outreach. Through outreach your group will have the opportunity to develop cross-cultural relationships and see God working in new ways.

• **LA EXCURSIÓN (The Excursion)** - We want to be certain that your group also gets a chance to experience God's awesome beauty in Central America. Therefore, your last day will be spent enjoying a touristy part of the country your involved in. We will plan for your group a day filled with fun activities. This is included as part of the package that you receive with Vida Missions.

"As a youth minister, my goal is to see your group helped out of their comfort zone and brought to a place of more commitment to Christ and to the church, local and global. I found in the years that I spent as a youth pastor, that the times we spent on mission trips, using this type of model, were some of the most life-changing experiences in the lives of my youth.

There is something wonderful that happens when youth get out of their routine and take time out to be together and to serve their Heavenly Father. The idea of including formal spiritual and ministry training with service and evangelism is a relatively new one and may seem strange at first glance, but I would like to encourage you to give it a chance and see if it would be effective in the lives of your youth."

DeLynn Hoover, *Vida Missions Program Director*

Let's Get Out to the Streets

The Following is a list of adventures that could be part of your Vida Missions experience. We update our list of opportunities periodically and as a result your group may be involved in some ministry that is not listed. All activities are subject to availability at the time of your adventure.

1. Introduction to the Country. We will give you an orientation to the country, city, and church where you will be working. We will also help you become acquainted with the Central American culture.

2. Church Services. We will attend at least one local church service. You will have time to be involved with and to get to know the Central American Christians.

3. Children's ministry. Your group will have a chance to prepare and present several Kids Clubs in the church or ministry with which you will be working.

4. Service Projects. Bring along your work clothes. You will have a chance to serve the church and people with whom you are working with your hands and sweat.

5. House to House Prayer. Teams are regularly involved in going house to house in the neighborhood in which they are involved and offering prayer for anyone who will receive it.

6. Prayer Walks. Experience how God wants to use you to make a difference in Costa Rica, as well as your own community. See how powerful prayer is on the streets and how "un-optional" it is.

7. Servant Evangelism. We will be involved in "showing the love of Jesus in practical ways." Different from service projects this could involve anything from handing out cups of drink to washing windows of stores to cleaning toilets.

8. Street Evangelism. Your team will be completely prepared to do drama and share their testimony in an open-air environment.

The Formula with which we prefer to work with is a mix of four core activities:

- 40% Service projects
- 25% Children's ministry
- 25% Various types of creative evangelism
- 10% Relating to the National Church (all ministry will be relating to the national church)
